For a complete tricycle, the drive train components are the BASIC PACKAGE. For all the details about the package, whether it will be a complete tricycle with equipment according to the your's wishes or just a frame kit, you need to contact us. For any additional questions, feel free to ask, we will be happy to help you assemble a tricycle that you will enjoy for many years. We will help you with every little thing that separates you from your perfect tricycle. Here you can write what it is...

	\sim
